

RING CHART & SIZER

Measure a ring you already have!

Place your ring over the guide until you find the right fit or compare it to the inside diameter

Important: Measure the template with your ruler to make sure it is printed to correct size.

How to Measure Your Ring Size

Option 1: Printable Ring Sizer

- Download and print our ring sizer (ensure it's printed at 100% scale).
- Cut out the sizer and create a slit where indicated.
- Wrap the sizer around your finger, threading the pointed end through the slit.
- Pull snug to see your ring size.

Option 2: Ring Comparison

- Print this ring sizing guide at 100% scale.
- Place a ring that fits well over the circles provided.
- Find the circle that matches the inner diameter of your ring.

Option 3: String Method

- Wrap a string around the base of your finger.
- Mark where the string overlaps and measure the length with a ruler.
- Use our size chart to determine your ring size.

Tips for Accurate Sizing

- Measure later in the day when your fingers are warmest.
- Ensure a comfortably snug fit to prevent sliding.
- For wider bands, go up 1/2 size for comfort.
- Your dominant hand typically requires a larger size.

At Yuga Diamonds, we're committed to helping you find the perfect fit for your ethically sourced, lab-grown diamond jewelry. If you need assistance, our expert team is here to help.
